

ENSEM::EScalar::EScalar

```
graph LR; A[ENSEM::EScalar::EScalar] --> B[ENSEM::EScalar::assign]; B --> C[ENSEM::EScalar::elem];
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box containing the text 'ENSEM::EScalar::EScalar'. A dark blue arrow points from this box to a white rectangular box containing 'ENSEM::EScalar::assign'. A second dark blue arrow points from the 'assign' box to a final white rectangular box containing 'ENSEM::EScalar::elem'. All boxes have a black border.

ENSEM::EScalar::assign

ENSEM::EScalar::elem
