

/Users/archanar/Kinematic  
\_factor/adat\_devel\_install  
/include/Minuit2/MinuitParameter.h

```
graph TD; A["/Users/archanar/Kinematic  
_factor/adat_devel_install  
/include/Minuit2/MinuitParameter.h"] --> B[algorithm]; A --> C[memory]; A --> D[cassert]; A --> E[string];
```

The diagram illustrates the dependencies of the file `/Users/archanar/Kinematic_factor/adat_devel_install/include/Minuit2/MinuitParameter.h`. Four blue arrows point from the bottom of the top box to the centers of four boxes below it, labeled `algorithm`, `memory`, `cassert`, and `string`.

algorithm

memory
