The diagram illustrates a dependency relationship between three files. At the top is a header file, `/Users/archanar/Kinematic_factor/adat_devel_install/include/Minuit2/MnCovarianceSqueeze.h`, which is shaded gray. Below it are two source files. The file on the left, `/Users/archanar/Kinematic_factor/adat_devel_other_libs/minuit/src/MnCovarianceSqueeze.cxx`, has a blue arrow pointing up to the header file. The file on the right, `/Users/archanar/Kinematic_factor/adat_devel_other_libs/minuit/src/MnUserParameterState.cxx`, also has a blue arrow pointing up to the same header file.
