

XMLStructWriterAPI
::XMLArrayWriterBase

```
graph BT; A[XMLStructWriterAPI::XMLFileArrayWriter] --> B[XMLStructWriterAPI::XMLArrayWriterBase];
```

The diagram illustrates an inheritance relationship. At the bottom is a white box labeled 'XMLStructWriterAPI::XMLFileArrayWriter'. Two blue arrows point upwards from this box to a gray box at the top labeled 'XMLStructWriterAPI::XMLArrayWriterBase', indicating that the bottom class inherits from the top class.
