The diagram illustrates a dependency or relationship between a source file and two header files. A top box, shaded gray, contains the full path to a source file: `/Users/archanar/Kinematic_factor/adat_devel/other_libs/minuit/src/MnParameterScan.cxx`. Two blue arrows originate from the bottom of this box and point to two separate white boxes below. The left box contains the header file `Minuit2/MnParameterScan.h`, and the right box contains `Minuit2/FCNBase.h`.
