The diagram illustrates a dependency relationship. Two source files at the bottom point to a single header file at the top. The top box, which has a gray background, represents the header file `/Users/archanar/Kinematic_factor/adat_devel/install/include/SU3/SU3.h`. The bottom-left box represents the source file `/Users/archanar/Kinematic_factor/adat-devel/lib/hadron/cgc_su3_auto.cc`. The bottom-right box represents the source file `/Users/archanar/Kinematic_factor/adat_devel/lib/hadron/cgc_su3_auto.cc`. Blue arrows indicate that both source files depend on the header file.
