

ROOT::Minuit2::GaussianModel  
Function::GaussianModelFunction

```
graph LR; A["ROOT::Minuit2::GaussianModel  
Function::GaussianModelFunction"] --> B["ROOT::Minuit2::Parametric  
Function::SetParameters"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'ROOT::Minuit2::GaussianModel' on the first line and 'Function::GaussianModelFunction' on the second line. The right box has a white background and a black border, containing the text 'ROOT::Minuit2::Parametric' on the first line and 'Function::SetParameters' on the second line. A dark blue arrow points from the right side of the left box to the left side of the right box.
