

Hadron::ensemFileName

Hadron::convertHadronNPart

Hadron::getTwolsospin

```
graph LR; A[Hadron::ensemFileName] --> C[Hadron::getTwolsospin]; B[Hadron::convertHadronNPart] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'Hadron::ensemFileName' and the bottom box contains 'Hadron::convertHadronNPart'. Both boxes have a black border and a white background. On the right, there is a single box containing the text 'Hadron::getTwolsospin'. This box also has a black border but with a light gray background. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box. The top arrow starts from the right side of the 'Hadron::ensemFileName' box, and the bottom arrow starts from the right side of the 'Hadron::convertHadronNPart' box. Both arrows converge towards the left side of the 'Hadron::getTwolsospin' box.
