

ADATIO::read

```
graph LR; A[ADATIO::read] --> B[ADATIO::BinaryReader::read]
```

The diagram illustrates a delegation of a read operation. On the left, a gray rectangular box contains the text "ADATIO::read". A dark blue arrow points from the right side of this box to the left side of a larger white rectangular box on the right. This white box contains the text "ADATIO::BinaryReader::read" on two lines.

ADATIO::BinaryReader
