

Hadron::CubicRep

```
graph BT; A[Hadron::A1MRep] --> B[Hadron::CubicRep];
```

The diagram illustrates a class hierarchy. At the bottom is a gray rectangular box labeled 'Hadron::A1MRep'. Above it is a white rectangular box labeled 'Hadron::CubicRep'. Three blue arrows originate from the top edge of the 'Hadron::A1MRep' box and point upwards to the bottom edge of the 'Hadron::CubicRep' box, indicating that 'Hadron::A1MRep' is a base class or ancestor of 'Hadron::CubicRep'.

Hadron::A1MRep
