

ENSEM::read

ENSEM::read

ENSEM::EScalar::elem

```
graph LR; A[ENSEM::read] --> B[ENSEM::read]; B --> C[ENSEM::EScalar::elem];
```

The diagram illustrates a three-step process flow. It begins with a gray-shaded rectangular box containing the text 'ENSEM::read'. A dark blue arrow points from this box to a second, white rectangular box, also containing 'ENSEM::read'. Another dark blue arrow points from the second box to a third, white rectangular box containing 'ENSEM::EScalar::elem'. All boxes have a thin black border.
