

ENSEM::traceSpin

```
graph LR; A[ENSEM::traceSpin] --> B[ENSEM::traceSpin]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a grey fill and a black border, containing the text 'ENSEM::traceSpin'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box has a white fill and a black border, also containing the text 'ENSEM::traceSpin'.
