

isoarray::exch_13bar

```
graph LR; A[isoarray::exch_13bar] --> B[isoarray::isoarray]
```

A diagram showing a mapping from a source to a target. The source is a gray rectangular box containing the text 'isoarray::exch_13bar'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box containing the text 'isoarray::isoarray'. Both boxes have a black border.

isoarray::isoarray
