The diagram illustrates a dependency relationship. Two source files at the bottom point to a single header file at the top. The top box, which has a gray background, contains the path to the header file: /Users/archanar/Kinematic\_factor/adat\_devel/install/include/hadron/genprop\_elem\_type.h. The bottom-left box contains the path to the first source file: /Users/archanar/Kinematic\_factor/adat\_devel/main/dbutil/dbkeys.cc. The bottom-right box contains the path to the second source file: /Users/archanar/Kinematic\_factor/adat\_devel/main/dbutil/dbkeys.cc. Blue arrows point from each source file box to the header file box.
