

/Users/archanar/Kinematic
_factor/adat_devel_install
/include/Minuit2/MnMinimize.h

```
graph TD; A["/Users/archanar/Kinematic  
_factor/adat_devel_install  
/include/Minuit2/MnMinimize.h"] --> B["Minuit2/MnApplication.h"]; A --> C["Minuit2/CombinedMinimizer.h"];
```

The diagram illustrates the include relationships between three header files. At the top, a grey box contains the path to `MnMinimize.h`. Two blue arrows point from this box to two white boxes below it, representing `MnApplication.h` and `CombinedMinimizer.h`.

Minuit2/MnApplication.h

Minuit2/CombinedMinimizer.h
