

ENSEM::EScalar::numElem

```
graph LR; A[ENSEM::EScalar::numElem] --> B[ENSEM::EScalar::elem]
```

A diagram showing a relationship between two variables. On the left, a gray rectangular box contains the text "ENSEM::EScalar::numElem". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "ENSEM::EScalar::elem". Both boxes have a thin black border.
