

Fiber only types and
operations

Builtin word operations

```
graph RL; A[Builtin word operations] --> B[Fiber only types and operations];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'Builtin word operations'. The box on the left is white with a black border and contains the text 'Fiber only types and operations' on two lines. A black arrow points from the right side of the gray box to the left side of the white box.
