

ROOT::Minuit2::MinimumBuilder

```
graph BT; A[ROOT::Minuit2::CombinedMinimumBuilder] --> B[ROOT::Minuit2::MinimumBuilder];
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'ROOT::Minuit2::CombinedMinimumBuilder'. Two blue arrows point upwards from this box to a white box at the top labeled 'ROOT::Minuit2::MinimumBuilder', indicating that the lower class inherits from or implements the upper class.
