

ROOT::Minuit2::MnMachine
Precision::MnMachinePrecision

```
graph LR; A[ROOT::Minuit2::MnMachinePrecision::MnMachinePrecision] --> B[sqrt]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'ROOT::Minuit2::MnMachine' on the first line and 'Precision::MnMachinePrecision' on the second line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'sqrt'.
