

/Users/archanar/Kinematic
_factor/adat_devel_install
/include/Minuit2/FunctionGradient.h

```
graph TD; A["/Users/archanar/Kinematic  
_factor/adat_devel_install  
/include/Minuit2/FunctionGradient.h"] --> B["Minuit2/MnRefCountedPointer.h"]; A --> C["Minuit2/BasicFunctionGradient.h"];
```

The diagram illustrates the include relationships for the header file `FunctionGradient.h`. A central box at the top, representing the source file, has two arrows pointing downwards to two other boxes. The left arrow points to `Minuit2/MnRefCountedPointer.h`, and the right arrow points to `Minuit2/BasicFunctionGradient.h`. This indicates that `FunctionGradient.h` includes both of these files.

Minuit2/MnRefCountedPointer.h

Minuit2/BasicFunctionGradient.h
