

```
FunctionMapErrorPolicy  
< IdentifierType, AbstractProduct >
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'FunctionMapErrorPolicy' followed by '< IdentifierType, AbstractProduct >'. Below it, a darker gray box contains the text 'Util::FunctionMap< Disambiguator, AbstractProduct, IdentifierType, TList, ProductCall, FunctionMapErrorPolicy >'. Two blue arrows point upwards from the bottom box to the top box, indicating that the bottom class inherits from the top class.

```
Util::FunctionMap<  
  Disambiguator, AbstractProduct,  
  IdentifierType, TList, ProductCall,  
  FunctionMapErrorPolicy >
```
