

ENSEM::cos

```
graph LR; A[ENSEM::cos] --> B[ENSEM::EScalar::elem]
```

A diagram showing a mapping from the identifier `ENSEM::cos` to `ENSEM::EScalar::elem`. The identifier `ENSEM::cos` is contained within a gray rectangular box on the left. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the identifier `ENSEM::EScalar::elem`. Both boxes have a thin black border.

ENSEM::EScalar::elem
